

Shaping brighter futures through music

Promoting social inclusion and
wellbeing through choirs, workshops
and performance in North Yorkshire

ABOUT EMERGING VOICES

We are a small, community-rooted charity based in York who provide inclusive, high-quality music-making opportunities that:

- **Enhance wellbeing** and **mental health**
- **Build friendships** and **social connections**
- Help people **achieve their musical aspirations**

Our work reaches people across York and North Yorkshire, from community choirs and drumming groups to individuals taking their first steps in music.

By supporting us, you enable even more lives to be transformed through music.

OUR MISSION

We believe everyone should have the chance to experience the joy of music, regardless of background or ability.

Since its foundation in 2019,
Emerging Voices has enabled

 **200+**

people with lived experience of mental
ill-health to participate in music activities.

**THE
DIFFERENCE
WE MAKE**

Since 2019, we've created and supported **Wellbeing Choirs**, delivered **song-writing projects**, funded tuition for over **30 people**, launched a **record label** and brought communities together through **concerts and events**.

INSPIRING COMMENTS...

I look forward to the singing each week and would change nothing at all. The group is like a huge safety net.

– Emerging Voices singer

I was nervous at first but as the weeks have progressed I've really found myself and some new friends in the choir so now instead of being nervous I'm excited and happy when Wednesday comes.
